VISIT TO WOCKHARDT HOSPITAL- South Mumbai

DearMembers,

EMA in association with Wockhardt Group of Hospitals has planned a Visit to Wockhardt Hospital Mumbai Central in 2nd Week of March 2015. It is one of the First Paperless and Wireless Hospital. Those members wish to visit the Hospital may enroll their names at Association office on or before 1st March 2015. Find below the invite letter from Wockhardt Hospital - South Mumbai

Wockhardt Hospitals South Mumbai is the new age hospital with the latest medical technologies and advanced diagnostics that will help treat every patient with a new age approach.

The 21 storeyed, state-of-the-art tertiary care hospital is the group's latest and largest flagship hospital. It has 350 beds, of which 100 beds are dedicated to critical care unit and 8 bedsto the Emergency Care Unit.The hospital is supported by highly qualified and trained medical professionals.

Its strategic alliance with Partners Medical International (Boston, USA) has enabled the group to train its medical and paramedical staff to develop protocols and policies in every department, thus ensuring that its staff has access to the latest developments in the field of medicine and patient care.

With Electrical Association, Wockhardt Hospital proposes the following :-

- 1) Health check up camps (tests like BP, BMI, RBS, BMD, ECG and doctor consultation). These tests can be done at the hospital premises or a venue jointly decided.
- 2) We can do health talks of the members of your association at the premises of the hospital (preferable) or some other venue on a pre- decided date. The best doctors in the industry be it a Cardiologist, Orthopaedician, Neurologist, Intensivist, Gastroenterologist, Nephrologist etc. - we have all the super speciality doctors. You can tell us which field of medicine you want the topic on and we shall provide the specialist.
- 3) We shall issue Privilege cards to each and every member which will give him and his family special privileges (e.g. 10% discount on OPD & OPD investigations, health checkups, etc...
