Eagle Sales Corporation was founded in 1970 as a modest enterprise dealing in electrical steel conduits and fittings. We expanded our product offerings in 1975 to include wires, cables, and switches. Under the leadership of our present managing partner, **Mr. Vrajesh Desai**, who joined the company in 1978, we have continued to diversify our product range and solidify our position as a leading distributor of electrical wiring systems.

As the electrical market in India began to evolve with innovations and advancements in technology from around the world, Precision Plastic Industries, the pioneer in PVC Conduits and Fittings, introduced PVC Electric Conduits, providing a solution to the changing needs of the market. This introduction had a significant impact on the electrical market in India and led to our establishment as the largest distributor of Precision Plastic Industries products, encompassing PVC Conduits, Casing & Caping, Cable Management systems, and corrugated flexible pipes. We have also undertaken the distribution of wires and cables of **KEI** make, **Hager**, and **Schneider** make switchgear and switches range.

Today, Eagle Sales Corporation is duly registered with prominent governmental organizations and corporations such as Larsen & Toubro, Godrej, Siemens, Honeywell & blue star. Our clientele includes esteemed builders like **Hiranandani**, **Mahindra**, **Raheja**, **Oberoi Realty**, **Rustomjee**, **Runwal**, **Kalpataru** and **Lodha Group**, among others. Our expansive storage capacity, efficient staff, and punctual delivery schedules have earned us a reputation as a trusted and reliable partner among users of these products.

Under the visionary leadership of its managing partners, **Mr. Vrajesh N. Desai** and his son **Tanmay V. Desai**, the firm is now steered towards new heights, with a focus on continued growth, innovation, and customer satisfaction.

NOTICE OF THE 87TH HALF YEARLY ORDINARY GENERAL MEETING

Members of the Association are hereby informed that as per the requirement under the rule, 18(D) of the Rules and Regulation of the Association, the 87th Half-Yearly Ordinary General Meeting of the Members of the Association for the year 2023-2024 will be held on Monday, 22nd January 2024 at 04:00 pm at 403, Ajmera Midtown, Kalbadevi Road, Mumbai-400 002 to transact the following business.

AGENDA

1. To read and confirm the Minutes of 86th Annual General Meeting Held at THE GARWARE CLUB Hall on Thursday, 22nd June 2023.
2. To receive and adopt the report on the performance of the Managing Committee for the 6 (six) months period from 1st April 2023 to 30th September 2023.
3. To discuss about the new office premises and collection of funds.
4. Any other matter with Permission of Chair.

Vote of Thanks.

Please Note:

As per rule 20 of the Rules and Regulations of The Electric Merchants' Association, no business shall be transacted, if within 30 (thirty) minutes of the hour specified for the meeting no quorum is formed. In such a case, the meeting shall stand adjourned. An adjourned meeting shall transact business for which it is called, without the necessary quorum.

PRESIDENT MESSAGE

MR. SAMIR MEHTA

PRESIDENT 2023-24

Dear Members,

Season's Greetings! As we step into the new year, I extend my heartfelt wishes for joy, success, and prosperity to each and every one of you. I hope the past year has been kind to you, and the upcoming one brings even more opportunities and achievements.

Reflecting on the year gone by, our flagship event, the Diwali Get Together, was a resounding success, thanks to your active participation. The theme "**Old Retro Musical**" added a unique flavor, and your positive feedback has been truly uplifting. Your continued support is the driving force behind our association's success, and we look forward to your enthusiastic participation in all our future endeavors.

Our commitment to the welfare of our staff was further underscored by the well-received staff welfare program. I extend my gratitude to our sponsors and members for their unwavering support, which made this event a grand success. Together, we continue to build a supportive and inclusive community.

I am thrilled to share with you a momentous development that promises to shape the future of our Electric Merchants Association (EMA). In the coming year, we are set to achieve a significant milestone – the grand opening of our new office.

This new office represents a pivotal step in the continued growth and expansion of our association. It will serve as a hub for innovation, collaboration, and the pursuit of excellence in the field of electrical trade. The strategic location and state-of-the-art facilities will enable us to better cater to the needs of our members and further strengthen our position in the industry.

The opening ceremony promises to be a moment of pride for all of us, as we mark a new chapter in the history of EMA.

In this edition of our journal, we delve into the vast subject of **Gen-Next**, The Young Think Tanks, our upcoming event. The content aims to cover major aspects, and I hope you find it informative and engaging.

And not forgetting the highly awaited **Family Turf Cricket**, where the members family also participate in large numbers. A truly fun filled event to enjoy.

As we embrace the new year, I wish you all the best for health, growth, prosperity, and happiness. Your active participation and dedication to our association are invaluable, and I look forward to achieving new milestones together.

Thank you for your continued support.

Best Regards,

SAMIR MEHTA

President-2023-24

NEW YEAR GET-TOGETHER

For nearly three decades, **EMA** has faithfully maintained the tradition of organizing a Diwali gathering. This annual event, alternatively known as the **New Year Get-together (NYGT)**, takes place after Diwali and serves as a platform for members, their families, and representatives from electrical corporations to unite, fostering connections and exchanging greetings in anticipation of the upcoming festivities. Held at **Birla Matushri Sabhagar**, the event garnered significant support, hosting a house full of more than 1000 attendees. The atmosphere buzzed with positivity, offering ample business prospects, and members enthusiastically celebrated this year's Diwali gathering.

The Program Committee diligently selected a musical group for the event through discussions with various potential groups. Their decision considered factors such as theme, sound quality, LED lighting, and lead singers. The chosen musical group, with their theme **"Old Retro Musical"** was considered new and refreshing by the committee, instilling confidence that it would be well-received by the members.

NEW YEAR GET-TOGETHER

For the past two decades, the venue has consistently been the **Birla Auditorium and Sundrabai Catering Hall**, chosen for its convenience, facilities, and safety. **Mini Punjab Catering Service Pvt Ltd**, recognized for its excellent quality and delectable cuisine, was once again entrusted with the responsibility of serving the members.

In an effort to enhance the event's appeal and entertain the attendees with an extended musical repertoire, the Program Committee decided to reward attendees with Lucky Draw and Return Gift.

This year, a new feature was introduced at the event: **the incorporation of QR code scanning for members**. The initiative aimed to streamline processes and enhance the overall experience for attendees. We are pleased to report that this introduction was met with success. Members embraced the convenience of QR code scanning, facilitating efficient entry and participation throughout the event. The response from members and guests was overwhelming, and this initiative ensured that the event kicked off punctually.

The sponsors for this year's event were **M/s. Panasonic Life Solution Pvt. Ltd**. Dignitaries from Anchor by Panasonic had the honor of gracing the occasion as chief guests. Their presence added a special touch to the event, and they not only enjoyed the proceedings but actively participated by dancing the Garba with the audience, singers, and committee members. This lively engagement further contributed to the festive spirit of the gathering, creating memorable moments for everyone involved.

UPGRADE TO A SIMPLER, SAFER AND COMFORTABLE LIFESTYLE.

STAFF WELFARE EVENT

The Staff Welfare & Program Committee under the guidance of Managing Committee, organized Staff Entertainment Program for the staff of EMA members on 25th November 2023 at **Birla Matushri Sabhagar**. This year in the sponsorship of **M/S Precission Plastic Industries Ltd**, EMA held this event for staff.

This event of the **Welfare committee** ie, Musical Gala Night for staff was very well attended by more than 1000 staff members in the auditorium to enjoy the evening with singers. Staff members started to assemble at venue from 6.00pm onwards. Prior to the musical night, people enjoyed the delicious dinner which was served outside, in the auditorium compound. EMA salute the discipline maintained by the staff during dinner.

The national anthem was followed by musical night. The lead singers of the musical orchestra started the show by singing some Popular Hindi songs and later with Marathi & Bhojpuri songs. During glittering night, the audience enjoyed the music and joined in the singing & dancing, when their popular numbers were played. 10 lucky draw prizes including LED TV, Oven, Hand Blender, Mixer, Mobile Phone etc were announced and given away to lucky winners.

Mr. Kunal Kadakia, owner of **M/S Precission Platic industries Ltd**. Was not able to attend the event but **Mr. Sayad (All India Sales Director)** has attended and was felicitated by **President Mr. Samir Mehta & Mr. Vrajesh Desai**. Staff of EMA was also honoured by introducing them on the stage.

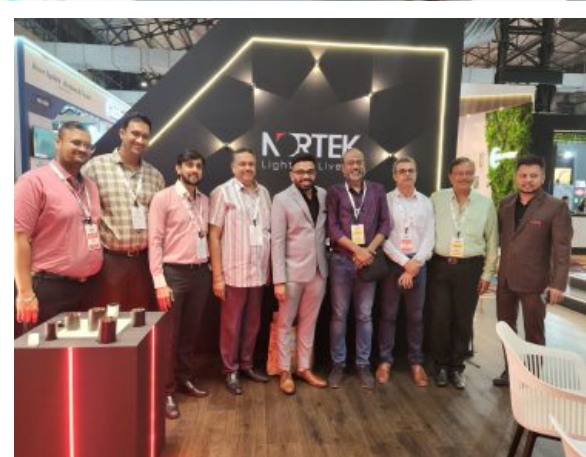

The event came to an end after 10:30p.m. Gifts (Lunch Box) were sponsored by **M/S Precission Plastic Industries Ltd.** were distributed to staff members. The participating staff members, who were absolutely thrilled by the efforts put by Managing Committee.

ACETECH VISIT

Knowledge is the key to every lock and for our trading community new innovation and updating knowledge drives our business. To give a boost we at **EMA** arranged a special entry for our esteem members at the **ACE Tech exhibition**. The **Electric Merchants' Association** in collaboration with **ACETECH**, organized visit at the NESCO, Goregaon, Mumbai on **2nd November, 2023**. The exhibition is from **2-5 November, 2023**.

EMA managing committee held various meeting and discussion with ACETECH team and arranged the privilege VIP entry passes FREE of cost along with Hi-TEA and Snacks. We thank members for their encouraging response and almost 50 members took the advantage and visited exhibition with the members of managing committee.

EMA plans to arrange more such visit to various important exhibitions in future to gain knowledge and increase our business networking and contacts.

TECH KNOWLEDGE WIRES & CABLES

HOUSE WIRE

Fire Retardant [FR]

Bunched conductors are insulated with specially formulated Fire Retardant compound with High insulation resistance values. FR properties enable the cable to withstand overload. The insulation is resistant to boiling water, steam and vapours and prevents ageing and cracking in kitchens, bathrooms, damp walls, chemical industries etc.

Flame Retardant Low Smoke [FRLS]

Bunched conductors are insulated with specially formulated Flame Retardant low smoke compound. During fire situation FRLS compound restricts the spread of flame, the emission of smoke is also less as compared to ordinary PVC cables.

Zero Helogen Flame Retardant [ZHFR]

Bunched conductors are insulated with specially formulated grade Zero Helogen Flame Retardant compound. The insulation does not burn readily. It does not melt and drip to spread fire. The emission of Smoke is negligible, transparent and non toxic. The victims trapped in the fire do not suffer Suffocation. Can be evacuated without much difficulty and the fire fighting is more convenient and effective.

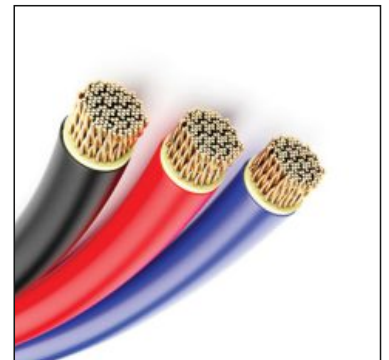

PVC SINGLE CORE & MULTICORE

Application : Highly flexible conductors with a great variety of industrial use such cable as harnesses, panel wiring and power generation.

Description : 1100 V Grade Multi Strand flexible annealed bare copper conductor, PVC Insulated and unsheathed single core flexible cables conforming to IS:694/90

RANGE: Single Core, Size: 0.5sq.mm to 630 sq.mm

Description : 1100 V Grade Multi Strand flexible annealed copper conductor, PVC Insulated and sheathed Multi-core flexible cables conforming to IS:694/90.

SUBMERSIBLE CABLES

3 core Flat Cables are manufactured keeping in mind the severe and difficult conditions in which they are required to perform. The area of installation is physically restrictive, and the environment is very hostile. These are used to connect submersible pump motor with supply lines. The slot available in the tube well being narrow the shape of the cables has to be suited for such an application. Certain striking features of our Flat Submersible Pump cables include excellent resistance to water, moisture abrasion, grease, oil, long flex life, excellent mechanical & electrical properties.

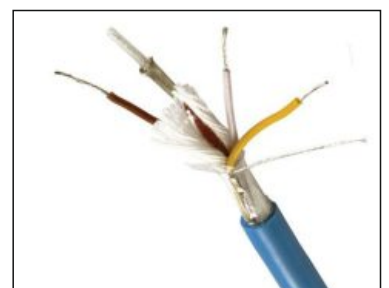

Description : 1100 V Grade annealed bare electrolytic high conductivity multi stranded copper conductor polyethelene coated, PVC, insulated and overall matt finish sheathed flat 3 core waterproof and weatherproof submersible cables as per IS:694/1990.

CCTV CABLES

Application : For installation of professional cameras and security systems.

Description : CCTV cables composite structure of video & audio wire is capable of carrying video signal (075 ohms coaxial) with audio 12 volts power wire of 14/40 swg.

TECH KNOWLEDGE

WIRES & CABLES

PVC/XLPE POWER & CONTROL ARMoured CABLES

Application : Armoured cable is the name given to any electrical cable constructed with a layer of aluminium wire armour or steel wire/strip armour. The armour sits below the sheath of the cable to provide protection for the conductor and the insulating layers.

When electrical cable is required for use outside or in direct burial projects, it must have mechanical protection. Armour provide such protection-as well enabling the cable to withstand higher pulling loads.

Description : 1100 V Grade Aluminium/Copper conductor XLPE/PVC insulated, cores laid up together, PVC inner sheathed type St-1, G.I. Wire/Strip armoured Outer PVC sheathed 600/1100 Volts grade cable generally conforming to IS:7098/Part-I/1988 & 1554//PT-1/1988.

IMPORTANT NEWS

GST Revenue collection for November 2023, at ₹1,67,929 lakh crore records highest growth rate of 15% Y-o-Y

Gross GST collection crosses ₹1.60 lakh crore mark for the sixth time in FY 2023-24

GST collection higher by 11.9% Y-o-Y for FY2023-24 upto November, 2023

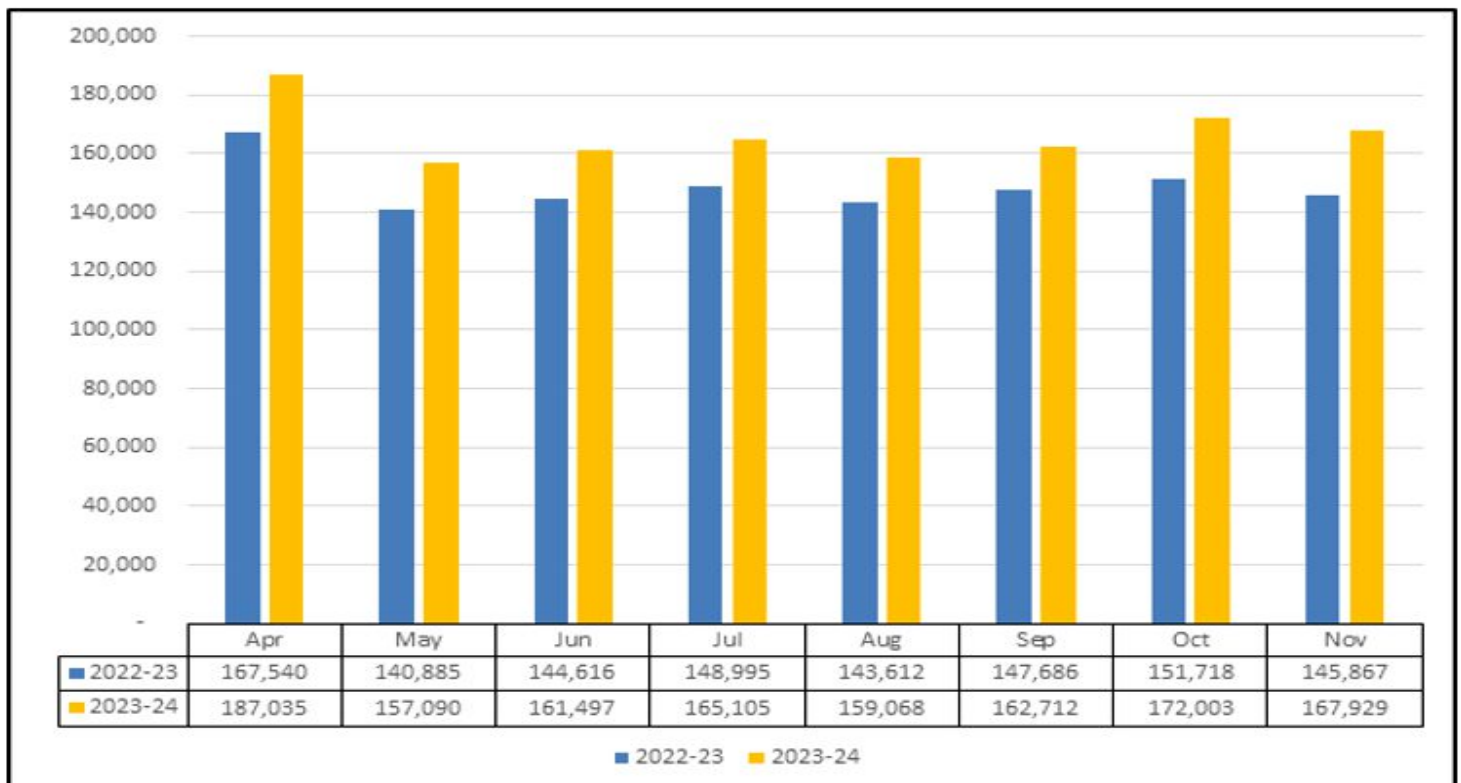

The gross GST revenue collected in the month of November, 2023 is ₹1,67,929 crore out of which CGST is ₹30,420 crore, SGST is ₹38,226 crore, IGST is ₹87,009 crore (including ₹39,198 crore collected on import of goods) and cess is ₹12,274 crore (including ₹1,036 crore collected on import of goods).

The government has settled ₹37,878 crore to CGST and ₹31,557 crore to SGST from IGST. The total revenue of Centre and the States in the month of November, 2023 after regular settlement is ₹68,297 crore for CGST and ₹69,783 crore for the SGST.

The revenues for the month of November, 2023 are 15% higher than the GST revenues in the same month last year and highest for any month year-on-year during 2023-24, upto November 2023. During the month, the revenues from domestic transactions (including import of services) are 20% higher than the revenues from these sources during the same month last year. It is for the sixth time that the gross GST collection has crossed ₹1.60 lakh crore mark in FY 2023-24. The gross GST collection for the FY 2023-24 ending November, 2023 [₹13,32,440 crore, averaging ₹1.66 lakh per month] is 11.9 % higher than the gross GST collection for the FY 2022-23 ending November, 2022 [₹11,90,920 crore, averaging ₹1.49 lakh crore per month].

The chart below shows trends in monthly gross GST revenues during the current year. **Table-1** shows the state-wise figures of GST collected in each State during the month of November 2023 as compared to November 2022. **Table-2** shows the state-wise figures of post settlement GST revenue of each State till the month of November 2023.

Chart: Gross GST Collection (Rs. crore)

STATE-WISE GROWTH OF GST REVENUES DURING NOVEMBER, 2023 (RS. CRORE)
