MESSAGE

FROM THE PRESIDENT

President Speech for Journal

A warm welcome to all my Dear Friends.

I hope and believe that financial year 2022-2023 would have gone with great result. This is our volume 5 journal and the topic of this journal is **FLAMEPROOF ELECTRICAL EQUIPMENT AND LUGS & GLANDS.**

In this journal we have tried to give best insights and data of flameproof products which is highly a specific Industry category. This will not only enhance your knowledge but will make you aware of its continuous up gradation in this particular segment.

As we all know we had a wonderful events in the month of February where we had a mind refreshing picnic to the Rann of Kutch and I thank all the members for their overwhelming support to make it a grand success. The motivational seminar by Gyanvatsal Swamiji has added more enthusiasm and knowledge of practical life. Also technical seminar by Honeywell was cherry on top to complete this financial year.

I thank all of my members and wish them Happy New Financial Year 2023-2024.

Thank you.

TRIBUTE

Late Shri Pravinchandra L. Parikh

President 1973-74

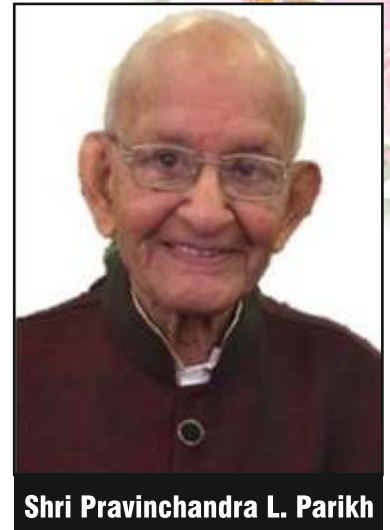

The President and the Managing Committee, on behalf of all the members of the Association, wish to convey their heartfelt condolences on the passing away of our Past President, **Late Shri Pravinchandra L. Parikh**, on 7th April, 2023.

Late Shri Parikh was the President of our esteemed association in the year 1973-1974. Before becoming the President, he had served the association in different capacities and his views and initiatives had further strengthened the foundations of Lohar Chawl.

After retiring from active service to EMA, he continued to provide valuable advice to the future generations of the Managing Committee from time to time. An ardent sports lover, he supported EMA's sporting activities with great enthusiasm. He was a great supporter of the Inter- Association tournament, initiated by EMA and attended all the cricket in which the host team played. In the year 2002-2003 when EMA launched a new edition of the telephone directory, Mr Parikh was the Chief Guest and appreciated the work done by the committee members.

An active social worker, he was committed to efforts made for the upliftment of the needy class.

The Association wishes to express its gratitude to Mr P. L. Parikh for his contribution to EMA and pray to the Almighty to grant eternal peace to his departed soul.

Shri Pravinchandra L. Parikh

Late Shri Vinoobhai Mangaldas Bengali

President 1977-78 | 1980-81

Shri Vinoobhai Mangaldas Bengali

The President and the Managing Committee, on behalf of all the members of the Association, wish to convey their heartfelt condolences on the passing away of our Past President, **Late Shri Vinoobhai Mangaldas Bengali** on 10th January, 2023.

Late Shri Bengali was the first amongst our Past Presidents of our esteemed association to be elected twice as President, first in the year 1977-78 & then in 1980-81. Before becoming President, he had served the association in different capacities and his views and initiatives had further strengthened the foundations of Lohar Chawl.

He was also president of FAIETA (Federation of all India electrical trade associations) in the year 1984. He was part of EMA Diamond Jubilee Celebration Committee & was also the Chief Guest of our prestigious New Year Get Together event in the year 2011-12.

As we all know, he was a keen lover of music and was instrumental in getting one of the renowned artists, Sanjivani Belande for the Diamond Jubilee year celebration function.

As a past president he was active and continued to provide valuable suggestions to the future generations of the Managing Committee as and when required. He was also an ardent sports lover, he supported EMA's sporting activities with great enthusiasm. He was a great supporter of the Inter- Association tournament, initiated by EMA and attended all the cricket events.

The Association wishes to express its gratitude to Mr V.M. Bengali for his contribution to EMA and pray to the Almighty to grant eternal peace to his departed soul.

The Picnic cum technical visit committee this year had arranged a visit to never explored place in past 25 years in the history of picnics organised, this year the members where given chance to explore the **White Rann of Kutch along with Mandvi.**

It's always a task to match the standard of level which the Picnic committee has set from past 25 years, this year the picnic committee headed by Past Presidents **Mr. Jatin Modi** and **Mr. Ketan Kadakia**, ex-officio **Mr. Prashant Parikh** and Committee chairman **Mr. Chintan Sanghvi** with the help of President **Mr. Nirmohi Shah** planned the picnic for 80+ members of EMA.

Booking for the picnic started on 28th September 2022 with a nominal fee of **16500.00** plus GST, which was much before 4 months from the picnic dates i.e 1st Feb 2023 , it was difficult for members to decide their availability so much in advance then too the members of our association showed their support as they always do and within 15 days the committee got confirmation of more than 85 members, Due to some unforeseen circumstances, some of our members got cancelled and the final count who gave us the opportunity to host them was **78 members.** **Itinerary and a special gift** from the President of EMA, **Mr. Nirmohi Shah** was distributed 3 days before the picnic, members thanked President for this sweet gesture to gift everyone a winter jacket which was a must in the cold weather at the RANN.

The picnic started with a lot of enthusiasm and excitement, members from age of 28 to age of 80 where on board , the journey started from Bandra terminus, where some members boarded the train from Bandra and some of them boarded from Borivali on 1st Feb in Kutch express @ 5.45 pm , committee managed to get all confirmed seats for members despite very few trains for the location in a high demand season. Members where given evening snacks (food packet) as soon as the train started from Borivali and members were given a surprise gift from one of our member **Mr. Hitesh Dharja** from **Soyuz Trading Corpn.** and sweets from

REPORT- *Annual Picnic 2023*

RANN UTSAV with BHUJ

Mr. Sugno Tanwani from **M/s Laxmi Electric Trading Co.**, late in the evening dinner packets specially ordered from vapi were given to members, soon after the dinner, members enjoyed a special drink from Surat, cold coco and hot saffron milk from **Richi Rich**, activated the taste buds of members, day 1 was just a hint to members of how much they were to enjoy with EMA.

We reached the destination station i.e Bhuj @ 8.30 am in the morning, that when our **day 2** started with a quick breakfast at the tent set up by Tent City and members left in 2 buses to reach the

most awaited place **The Tent City at Dhordo** which was appx 90 mins journey. Members were welcomed in a typical local Kutchi style, soon the tents were allocated to the members and it was time to experience the stay at the tent for 2 nights and 3 days, as the tent city was very big in size members

where kept regularly updated in the **whatsapp group** created by the committee. Lunch was served at the dining area near the clusters where the tents were allocated on twin sharing basis, members got fresh and rested after a long journey and all the members then gathered at 5.00 pm to visit the magical sunset at the White Rann, it was so delightful to see our members who got themselves in the **local colourful kutchi attire** at the rann and danced to the beats of Dhol, after the dancing session members relaxed seeing the beauty of the sunset and the calmness in the atmosphere. Day 2 ended with the dinner and the mesmerising cultural programme arranged by Team Rann utsav.

It was a tiring journey from Mumbai to rann, but it was not at all hampering the enthusiasm of members, **days 3** for some of our members started at **6.00 am in the morning** where members enjoyed cycling from tent city to white rann in the **chilling climate**, whereas some members reached the white rann by bus to see the beauty of the **sun reflection on the white rann** during the sunrise. After visiting the sunrise point, members enjoyed the breakfast and relaxed at their tents while some **adventure enthusiast** enjoyed **motor parasailing** at the rann reaching there in a camel cart, soon after the lunch there was a tour to Kala dungar and **Gandhi nu gaam** organised by team Rann utsav, **Mr. Jigar Parikh** took the lead to take care of members going there, some of the members visited took the tour and some members left to visit the famous **Mata nu Madh**. After a tiring day members took dinner and enjoyed a **quality time under the moon light** with their fellow ema members.

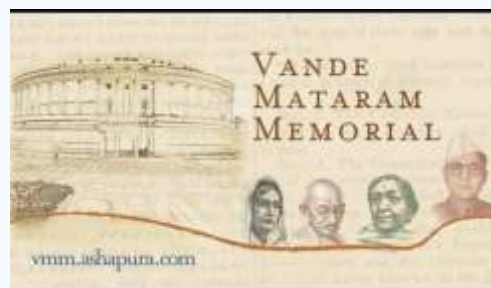

It was now time to bid adieu to the Tent city, taking back a lot of memories accumulated in 2 days at the Tent city, but the journey with EMA was not yet over, on **day 4** members checkout after the breakfast and headed to Mandvi by bus, which was a long journey of 3 hours but it was worth it. Members reached at 1 pm at **Serena beach resort at mandvi**, a resort with a **private beach** access, with an **infinity swimming pool** with a view of the ocean. Members after lunch checked in their respective rooms. **Pool party** was arranged by the committee at 4.30 pm where HI-Tea was served and local kutchra dabeli was served to give members a local flavour of

mandvi. Various prop. likes funky caps, glasses, wigs were kept which was very sporting used by members to click pictures, many members enjoyed the pool party with their costumes on and danced in the pool. The very much awaited GALA night was co sponsored by our Media partner **M/S BDM Infotech** and **Mr. Samir Mehta (Vice President)**, we thanked our very own **lightning group** for their contribution as well. Musical night (orchestra) was organised at the lawn with drink served and delicious dinner. Birthday gentleman **Mr. Samir Mehta** cut cake and raised a toast. All the arrangements were very well planned by **Mr. Prem Vora** and **Mr. Ketan Thakkar**.

It was time to check out from the resort on **day 5** of the picnic, members were taken to experience a patriotic show at **VANDE MATARAM** memorial in a small town famous for its handicraft "**Bhujodi**", a 2 hour journey from mandvi, committee with lots of efforts pre booked 3 slots for the 45 mins show which took members to a journey of the struggle faced by our all our freedom fighters from day 1 till the day they achieved freedom, the members also enjoyed the local shopping at the memorial and headed for a lunch break at the Fern bhuj, soon after members headed to visit the famous **Swami Narayan Temple, Bhuj, Prag Mahal and Aaina Mahal**. After visiting local sightseen members were taken to Bhuj station to board Kutch express at 8.00 pm, dinner packets were given after members settled at their respective seats.

On day 6, members were served yummy breakfast **specially arranged from SURAT**, members got down at their respective stations to mark the end of a special 6 days journey with EMA, members praised the efforts put in by all the committee members in arranging the picnic.

The picnic committee wholeheartedly thank the managing committee members who helped the picnic go smooth without any problem. We also thank our past president **Mr. Hasmukh Shah, Mr. Bhavik Parikh** for constantly guiding us at the picnic.

Managing committee is again thankful to the members who joined us in the picnic and gave us much needed co-operation during the picnic.

REPORT- MOTIVATIONAL EVENT BY SHRI GYANVATSAL SWAMI

EMA Seminar committee in response to question on right, planned to organize seminar on motivation to help members to infuse the sense of confidence in them, so that members could once again help themselves with better quality of life. The thought was discussed since 2021, and with the help of Advisor **Mr. Bhavik Parikh** and **Mr. Dilip Jani (M/s. R R Kabel)** the meetings and follow-ups were made with **BAPS (Bochasanwasi Akshar Purushottam Swaminarayan Sanstha)**. Breakthrough happened in the month of August 2022, when **Shri Gyanvatsal Swami** confirmed to hold discourse with EMA members on 25th Feb 2023, as he was busy at BAPS's Amrit Mahotsav to be held at Ahmedabad.

After confirmation received from B.A.P.S. for 25th February, 2023 the venue **Y B Chavan Auditorium** with a capacity of **550** was selected to accommodate the larger audience. Two tickets per firm were issued to member firms, so as to accommodate maximum participating firms. The response for the seminar was so overwhelming that the tickets for entire Auditorium was houseful within 10 days of the registration. EMA is thankful to the sponsors of the event i.e., **M/s. Dodia Electricals, M/s Parag Worldwide Pvt Ltd and M/s. Pluto Flameproof controls**. Arrangements were made for them to display their products at the venue.

“What is motivation and why it is required?”

Motivation can be anything from earning money to personal satisfaction. It gives us a push to do something and to achieve our goal in life. After a tough time of covid where business was nearly zero, everyone had to start from scratch. Some lost their job, their lives and even their lifestyle.

Introduction-

Gyanvatsal Swami

He has given motivational speeches at different seminars and in multiple countries including New Zealand, Europe, Canada, the United States, and England. He covers a wide range of niches such as Stress, work-life, career, education, etiquette, attitude, etc.

Less-known Facts about Gyanvatsal Swami

- Gyanvatsal Swami is an avid reader. In fact, reading is his only hobby.
- He is recognized as the Swami of the BAPS Sanstha.
- Most of his motivational videos go viral on the internet. His amazing abilities to deliver a motivational speech (that could actually help people) have earned him lots of fame.
- His real name is Rakshit Rawal.
- Gyanvatsal Swami received his training from Pramukh Swami, his Guru.

REPORT- MOTIVATIONAL EVENT BY SHRI GYANVATSAL SWAMI

The event was held in the collaboration with The Bombay Pipes and Fittings Merchants Association, Nagdevi. The family of both the associations took part in the event. Red-carpet welcome was organized for the guest speaker at the entrance. Hi- Tea was arranged at the designated area within the premises of the auditorium. Swami Gyanvatsal and his team arrived at 6.30 pm. President of EMA **Mr. Nirmohi Shah** and President of BPFMA **Mr. Bharat Kadakia** welcomed them and escorted team BAPS directly to the Green Room. Committee of both the Association took turn for Swamiji's blessings at the green room.

After performing rituals at the green room BAPS team were welcome on the stage by **Mr. Samir Shah** of The Bombay Pipe and Fittings Merchants Association (BPFMA). After rendition of National Anthem and Diya illumination ceremony, **Mr. Dilip Jani** gave brief introduction of Gyanvatsal Swami. Mementos were presented to the sponsors by the EMA and BPFMA office bearers. President **Mr. Nirmohi Shah** presented Memento to Gyanvatsal Swami and his team. **Mr. Shah** requested Swamiji to address the august gathering with his thoughts.

REPORT- MOTIVATIONAL EVENT BY SHRI GYANVATSAL SWAMI

Swamiji in his speech, emphasized members how to live quality life.

He asked members to follow 8 + 8 +8 rule in their life

1. **First 8 Hours** for professional life, Honest hard work & Learning.
2. **Second 8 Hours** of the day use for Peace of Mind, Sleep & relaxation.
3. **Last 8 Hours of the day** use
FFF (Family + Friend + Faith),
HHH (Health + Hygiene + Hobby),
SSS – (Sole + Service + Smile.)

To make members understand above philosophy, Swamiji explained it with the lots of instances. Members truly enjoyed the event and, in their feedback, asked EMA to organise such events regularly.

Vote of thanks was presented by Secretary of EMA, **Mr. Ketan Thakkar**. He thanked each and every one for making this event a grand success.

Dinner was served to all the members after the event. Seminar Committee thanked each and every committee member for their unconditional support to make this event memorable. There were nearly 1000 views on our You tube live channel which we had kept for the members who were unable to attend this seminar. The feedback from the members have motivated us to keep such type of seminar every year which helps them to boost their knowledge and courage to tackle any situation in their life with broad and open mind.

What do you mean by flameproof?

The process of flame proofing involves reducing the amount of flammable material present in an object, or otherwise protecting it from fire. The goal is to reduce the risk of the object being damaged or destroyed by fire. This can be done by making the object fireproof, heat-resistant, or flame-resistant

What are flameproof equipment/ flameproof products?

Flameproof equipment is designed to prevent the ignition of surrounding flammables in a hazardous area. This is done by ensuring that any internal ignition within the equipment will not be able to transmit outside of the protective enclosure.

Flame proofing is a preferred protection method when electrical equipment has highenergy arcing or sparking components that could potentially cause an explosion.

Flame proofing is a technique extensively used for light fittings, junction boxes, and motors in hazardous areas. The IEC certifies protective equipment and the local IS (Intrinsically Safe) standards govern usage. This method is highly effective in preventing explosions.

What are flameproof electrical fittings?

Flameproof equipment is designed to prevent the ignition of surrounding flammables in a hazardous area. Basically, it helps to protect people and property from fire by containing it within the equipment.

What is Flameproof Certification?

The certification process for explosion or flameproof protection requires that the enclosure be strong enough to contain an explosive reaction. Additionally, the certified protection must withstand the internal pressures generated without fracturing or distorting to prevent propagation. Products are put through rigorous testing for flame and explosion protection, including several actual explosions within simulated environments, in order to become officially certified.

The terms 'explosion-proof' and 'flameproof' are two sides of the same coin. They both refer to electrical equipment that is designed for use in hazardous areas. The main difference between the two is that explosion-proof equipment is designed to contain an explosion within the device, while flameproof equipment is designed to prevent an explosion from happening in the first place.

Where to use flameproof products?

Flameproof explosion proof luminaires & panel & junction box ,motors etc find their application in Warehouses, Pharma, Chemical, Fertilizer, Petrochemical facilities, Manufacturing sites, Pulp & Paper mills, underground tunnels and also water treatment and sewage facilities, among other uses. They are used as they provide protection against dirt, water and moisture, while also offering resistance to corrosion.

REPORT- HONEYWELL SEMINAR

Knowledge is one thing that we cannot forget either it is through books or practical. To keep this in mind Mr. Bhavik Parikh of M/s. Essen Electrical Enterprise came up with the technical seminar from M/s. Honeywell (MK Electric). The idea was discussed with the seminar committee along with the President and secretary and was finalized immediately. The seminar was kept on 17th March, 2023 and the booking was started on 03rd March, 2023.

With the introduction given by **Mr. Prem Vora** who started the evening with the EMA protocol of National Anthem and EMA corporate video and then he called upon **Mr. Bhavik Parikh** to introduce Team EMA. From Honeywell (MK Electric) **1) Rajiv Kumar Sharma 2) Vikas Kumar 3) Pulak Poddar** were felicitated by Team EMA.

With the short and precise introduction of Honeywell the dais was handed over to them. It was started by **Mr. Pulak Poddar** and he introduced about Honeywell and how they took over the brand MK which is now known as Honeywell.

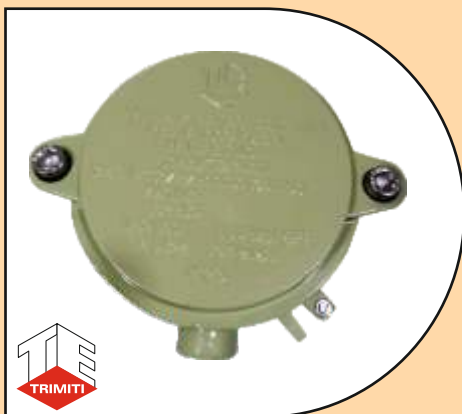

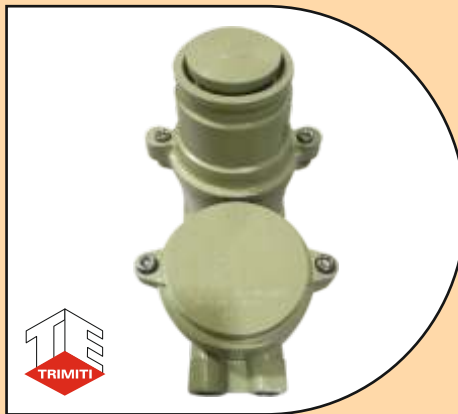

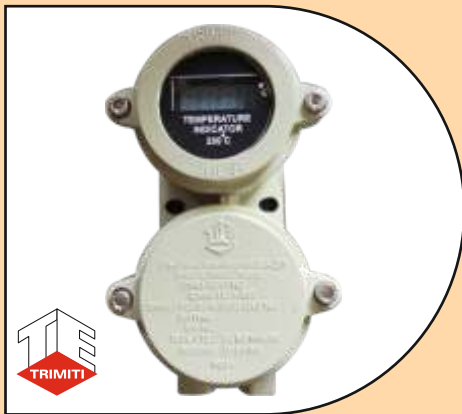

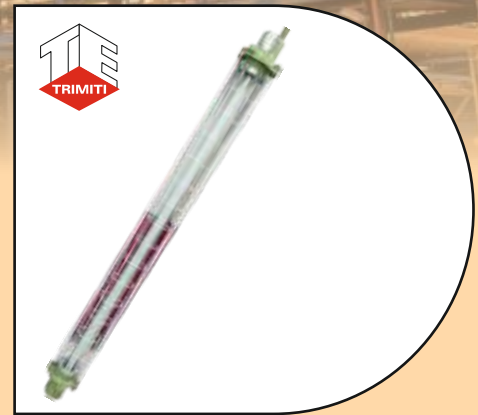

Complete concept, idea and technology of Honeywell and how Honeywell is fairing in this competence market, their struggle and also creating a niche product adopting to the changing culture of customer behavior and acceptance was explained. They also explained how they tried and formed to bring common product under the category of style and elegance.

After their presentation was over which was very short and sweet and was also up to the point where people were engrossed without getting bored. The mic was again handed over to Mr Prem Vora and he called upon Mr. Nayan Pandya to give vote of thanks. After the vote of thanks there was display of product kept where people could ask their queries and look in to the product category.

PPI MERCHANT TRANSACTIONS OF OVER ₹2,000 TO ATTRACT 1.1% CHARGE FROM APRIL 1

There will be no charge to customers and for normal bank account to bank account UPI payments: NPCI

Starting April 1, merchant transactions exceeding ₹2,000 in value done using Prepaid Payment Instruments (PPI Wallets) on UPI will attract an interchange charge of 1.1%. However, "the new interchange charges are only applicable for the PPI merchant transactions and there is no charge to customers," the National Payments Corporation of India (NPCI), which governs UPI,, said in a statement on Wednesday.

"It is further clarified that there are no charges for the bank account to bank account based UPI payments (i.e. normal UPI payments)," the NPCI added.

IMPORTANT NEWS

The Interchange fee is generally associated with card payments to cover transaction cost.

In the statement, NCPI said as per recent regulatory guidelines, the PPI Wallets had been permitted to be part of the interoperable UPI ecosystem.

Rajsri Rengan, India Head of Development, Banking and Payments, at FIS said in a statement, "The new interoperability guidelines for prepaid payment instruments announced by the NPCI is a significant step towards building a more inclusive and seamless digital payments ecosystem in India."

"The interoperability of digital wallets and UPI can be a game-changer for the Indian fintech industry, as it opens up new opportunities for innovation, growth, and competition. With greater interoperability between payment systems, consumers will have more choice and flexibility in how they transact with merchants, leading to increased adoption of digital payments and ultimately driving financial inclusion and economic growth," Ms. Rengan said.

"This move will also encourage innovation in the digital payments space, fostering competition and improving the quality of services offered to consumers," she added.

"We believe this is a positive development for the Indian economy and the banking system as a whole, and we look forward to continuing to support the growth and development of digital payments in India," Ms. Rengan observed.

Transfer of amount in cash ledger from one GSTIN to another GSTIN registered on the same PAN through Form GST PMT-09

Introduction of Negative Values in Table 4 of GSTR-3B

17/02/2023

1.The Government vide Notification No. 14/2022 – Central Tax dated 05th July, 2022 has notified few changes in Table 4 of Form GSTR-3B for enabling taxpayers to report correct information regarding ITC availed, ITC reversal and ineligible ITC in Table 4 of GSTR-3B. According to the changes, the net ITC is to be reported in Table 4(A) and ITC reversal, if any, is to be reported in Table 4(B) of GSTR-3B.

2.Currently in GSTR-3B, credit note (CN) is being auto-populated in Table 4B(2), as ITC reversal. Now in view of the said changes, the impact of credit notes are also to be accounted on net off basis in Table 4(A) of GSTR-3B only. Accordingly following changes have been made in the GST Portal from January-2023 period onwards and shall be applicable from tax period - January 2023' onwards.

a. The impact of credit note & their amendments will now be auto-populated in Table 4(A) instead of Table 4(B) of GSTR-3B . In case the value of credit notes becomes higher than sum of invoices and debit notes put together, then the net ITC would become negative and the taxpayers will be allowed to report negative values in Table-4A. Also, taxpayers can now enter negative values in Table 4D(2) of GSTR-3B.

b. Consequent updates/ modification in the advisory, messages, instructions, and help-text in form GSTR-2B, without any structural changes in form GSTR-2B summary or tables have also been done in GSTR-2B.

c. The calculation logic of *Comparison Report* has now been changed accordingly.

3.The taxpayers are advised to go through instructions/help text carefully in GSTR-2B & System Generated GSTR-3B pdf before filing GSTR-3B.

Thanking You,
Team GSTN
