## Incoming Speech of the EMA'S 75<sup>th</sup> President,

**Shri Niren Dharja on 26<sup>th</sup> June 2018 at Garware Club House.**

Respected Immediate **Past President Nishel**, today's guest Speaker **Shri Shreegopal Kabraji**, our invited dignitaries and guests, committee members, members of The Electric Merchants Association, ladies and gentlemen.

Today it is a moment of pride not only for me, but for the entire **R.K. Engineering Pvt. Ltd.** family, including my mother, my father late **Shri Kirtanlal Dharja** who served EMA in the late 80's and my brother Shri Sandeep Dharja who served in the year 2003 as the President of this August Association. I also want to thank my immediate family in advance for bearing with my long absence from home.

I want to thank EMA members for reposing their faith in me by electing me as the **75<sup>th</sup> President**.

I started my journey six years back in 2012, under the Presidentship of **Shri Jatin Kadakia**. As the years rolled by, I imbibed the importance and prestige enjoyed by this esteemed institution. The support and the guidance from the past presidents and seniors helped me to take varied responsibilities with ease. I also realized that the success of EMA is an ongoing process and for this I thank all the past 74 presidents for their enormous hard work in keeping EMA vibrant and young, even at the age of **80 years**.

Lohar Chawl is synonymous with EMA. It is from here that numerous giants have taken wings, like **Anchor, Polycab, RR Global, Greatwhite, Ravin** and **Precision Plastics** to name a few. It is this place that has served trade and industry with great distinction for over eighty years. It is this place that has provided the platform for these giants to make a niche for themselves and make footprints across the globe.

With a membership of over 1200 members, EMA, a combination of Merchants, Distributors and Manufacturers, has become a pillar of strength, a force to reckon with in the modern age. EMA has come a long way, with the emerging technology, it has adopted with all available networking tools to keep members abreast with relevant and important information. EMA is ready to spread its wings across India.

In the current situation, we at EMA feel the need to interact with other like minded Associations and Trade bodies. This will not only broaden our scope and vision but also help us in standing on a common platform. I am a great advocate of this move and personally feel that this will help us with **1. Networking & Knowledge Sharing** **2. Necessary representation with government agencies** and **3. Opportunity to grow business**.

EMA now being **ISO 9001 Certified Association**, will support members with high quality service by taking regular feedback from them.

GST will complete its first anniversary in next few days. All the mysteries that surrounded its imposition have been removed. There are no marketing boundaries. Let us embrace this development and open our mindsets to a Pan India scenario. We will only benefit and prosper.

As President of this esteem Association, I in my tenure would like to mainly concentrate on programs and ideas that will upgrade, improve, educate and safeguard the interest of my members by involving different Associations, Electrical goods manufacturing companies and Government Agencies. My team and I will endeavor to make Lohar Chawl and its surrounding area safer and cleaner. For this I require the wholehearted support of my seniors, colleagues and all the members.

I would like to thank **Shreegopal Kabraji** for accepting our invitation to be the guest speaker this evening. Sir, we look forward to listen to you to motivate us and make us understand future business dynamics. EMA is grateful to those who are here. On behalf of EMA, I wish to extend our sincere thanks and recognize the presence of all the invitees who have spared their valuable time to be a part of this milestone event.

I sincerely acknowledge the support of all the sponsors, my core team and **Shri Ashish Nangia**, past president of EMA, for requesting **Bollywood Star John Abraham** to be a part of our EMA video. I also wish to thank The Janmabhoomi team for working hard on the supplement, EMA staff and members for their support.

In the end let me once again emphasize that we cannot sit on our laurels. We have to brace ourselves to meet the challenges. We have miles to go and promises to keep. But together we will do it and I am absolutely confident.

I assure you that I commit myself to do all that is needed for **EMPOWERING MEMBERS ASPIRATIONS**.  
Thank you.

Sd.

**President**

Speech of the

**EMA'S 74<sup>th</sup> President,**

**Shri Nishel D. Shah on 26<sup>th</sup> June 2018 at Garware Club House.**

Respected Past Presidents, my fellow colleagues at EMA, dear members, ladies and gentlemen,

**Good Evening,**

The position of **President of EMA is a very Prestigious and Honourable one** and **it comes with a lot of responsibilities**. I have tried to fulfil my duties as the President of EMA with zeal and enthusiasm and to the best of my abilities. It is difficult to believe that my tenure has come to an end and by the grace of God my tenure as a President has been a very enriching one. I have a lot of people to thank for this.

Firstly I wish to thank the senior past presidents for their constant support and guidance during my tenure. I wish to thank my entire managing committee for working so hard so that all the events of the year were conducted successfully. I would like to express special gratitude to my advisors **Shri Nitin Gandhi, Shri Vrajesh Desai, Shri Chirag Shah** and **Shri Bhavik Parikh** for making sure that that my journey as EMA President has been such a smooth ride.

I will also take this opportunity to thank **Shri Jatin Kadakia** who introduced me into the managing committee of EMA. A special thanks to my entire family for the support and tolerance through this year. I would like to make a special mention of my brother **Shri Mitesh Shah** who took care of business when I was busy with EMA activities. Also wish to thank the various sponsors for the events of the year and a big thank you to all the members of EMA for participating so whole heartedly.

Apart from getting the **ISO Certification** for **EMA** during my tenure we also conducted camps for the Aadhar smart card registration and I am happy to note that many members could take benefit of those camps. Though I am stepping down from the post of President I wish to assure the committee that I will continue to be available for EMA whenever needed.

Leadership plays an important role in the establishment of working culture and the progress of an association.

I will be handing over the reins of EMA to a very capable and dynamic person **Shri Niren Dharja**. He has worked so tirelessly during my tenure for getting sponsors and planning out all the events.

I am very proud to say that EMA became an **ISO Certified Organisation** during my tenure and it was **Shri Nirenbhai** who led the project and took it to completion. He works with a lot of passion and meticulously plans each and every project that he takes on. I am confident that his year as president will be a wonderful one and I wish him great success as the next **President of EMA**.  
Sd.

Thank you all.

**Shri Nishel D. Shah**  
**Past President**
